

Longmont Quilt Guild Mystery Quilt 2011

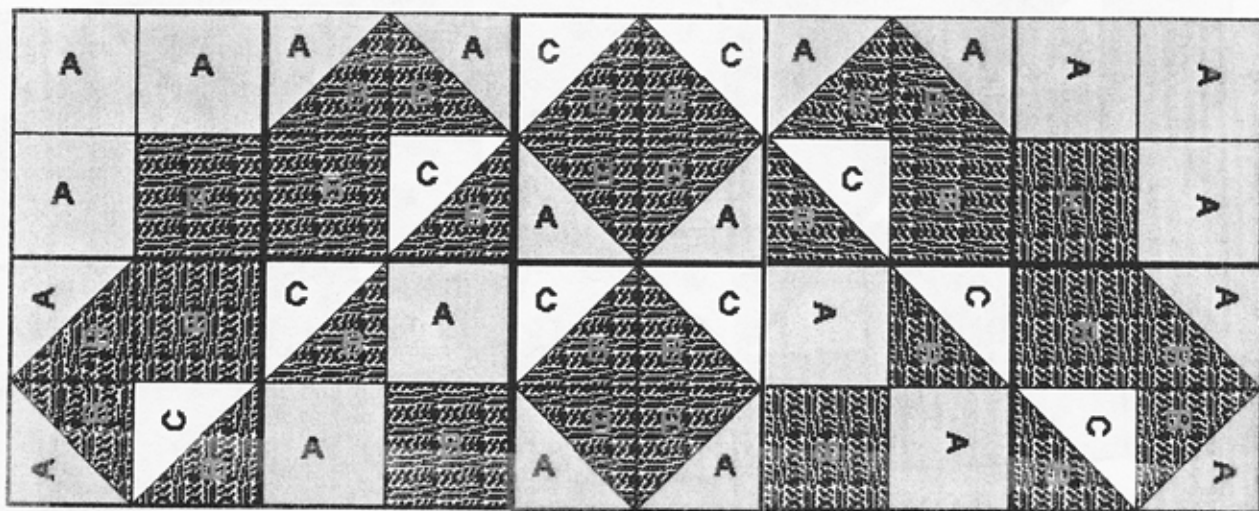

Part 5

Assembling the Quilt Top!

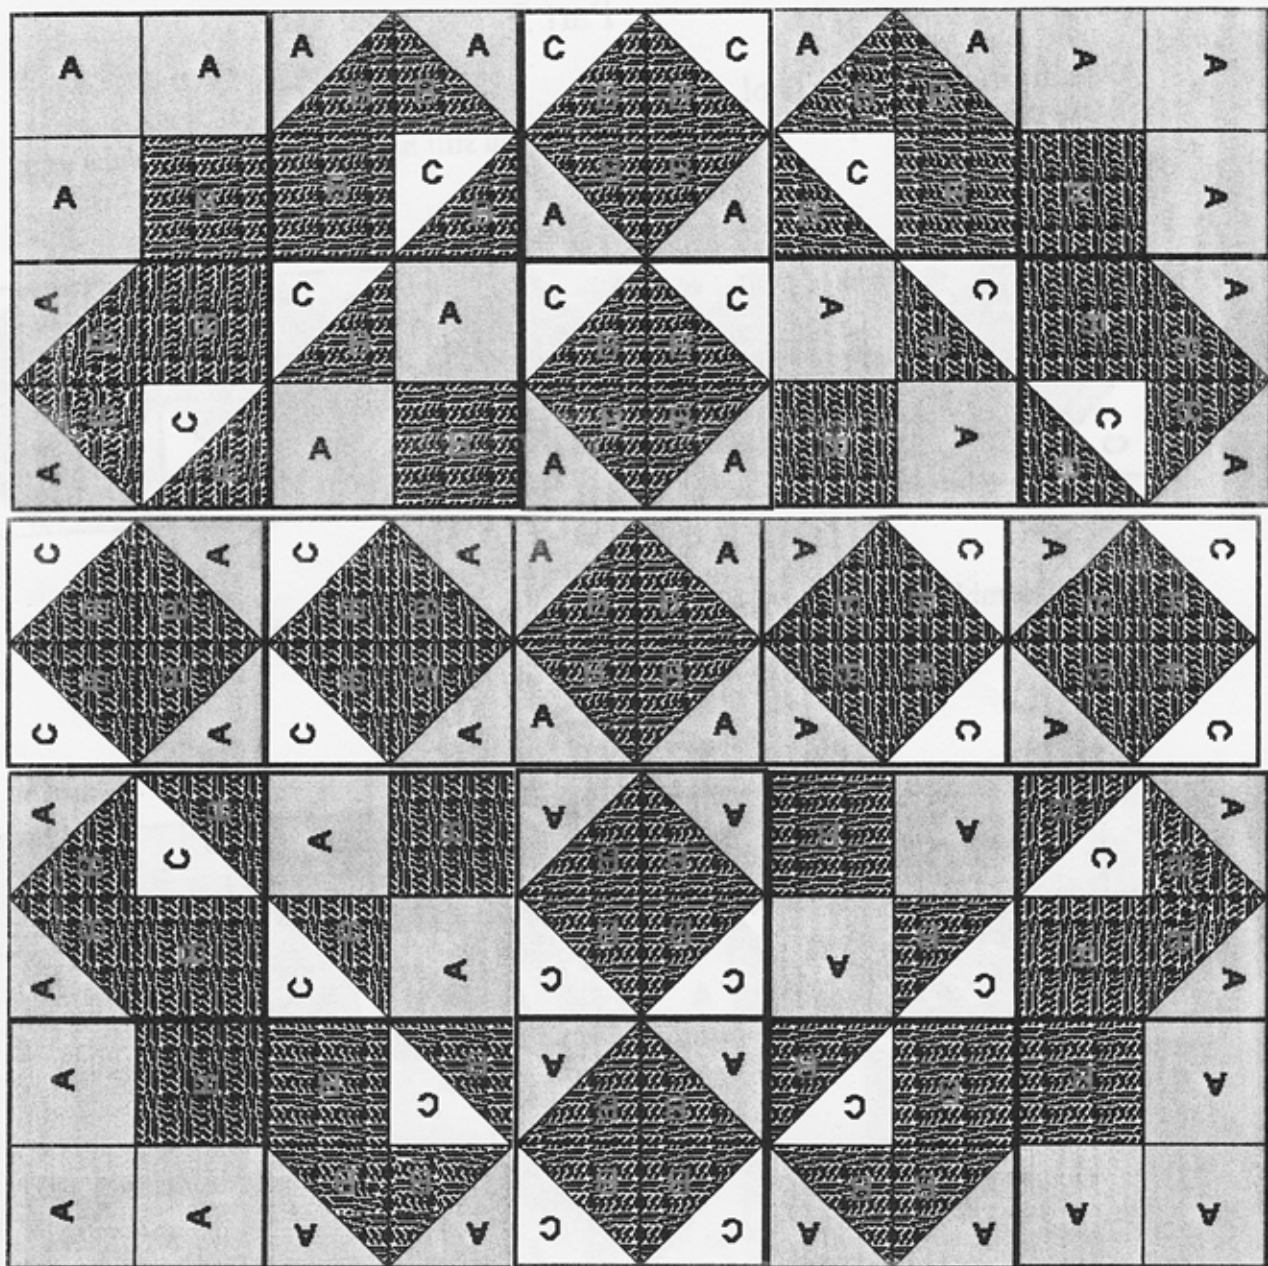

1. Use the units from part 4 and the one square you still haven't sewed to make the strip below:

2. Now assemble two of the 16-unit squares with one of the 2-units in the middle as below

3. Make one more of these. It'll be used upside down. The strip you made in #1 above will be placed between the two parts from #2 and #3.

This has been mystery quilt #3 from the site www.straw.com/quilters. I hope you've enjoyed it!
